Sir,

Re: Grant of privilege of electing a non-official President to French-rocks Municipality

---

With reference to your letter No L 1623 dated 24-4-48 on the above subject, I have the honour to enclose herein a statement showing the financial position of the Municipality for the past 3 years. The President has reported that the financial position of the council is quite sound considering the population of the Town and the business that is transacted in the town.

With regard to the last point mentioned in your ~~letter~~ above letter, I wish to state that there are suitable men in the Municipal Council well versed in the Municipal Law and administration to take up the responsibility of office and it would be in the interest of the municipality to confer upon it the privilege of having a non-official President. I therefore recommend sanction of Government to the proposal.

I have the honour to be
Sir,
Your most obedient servant,
